OLD ROLLER BLADES - If you have any laying around the house that your kids have outgrown and that are getting in the way please bring them to Lowell. He's working on a project for the building here and needs the wheels from those things. Don't ask.....it might frighten you.

I CAN'T BELIEVE IT

You may not have heard that murder was committed during the recent World Cup for soccer in South Africa. David Makoea, 61 years old, wanted to watch Germany play Australia. His wife, 36 year old son, and 23 year old daughter had their hearts set on another program. What began as an argument escalated into a bloody brawl. By the time it ended the husband and father lay dead in the living room. What is so strange is not just the murder, but the reason behind it. What TV program was so compelling that three seemingly normal people would murder a family member rather than miss it? The police report said they wanted to watch a "gospel program." For the sake of wanting to watch a television program about the Prince of Peace and the gospel of grace three people commit murder. Wacky???? Crazy is more like it. Off-the-wall is even more descriptive.

Obviously three somebody's had missed some really key information about loving the Lord. None of us would dream of doing something like that.....but.....some might be willing to play fast and loose with the truth....some might find off-color and racist jokes funny.....some might promise with no intention of fulfilling the promise.....some preachers might run off with the money or the church secretary...or both. Let's all "love the Lord." And let's all let the Lord define for us what that means. **Luke 6:46** Jesus asks, "*Why do you call me Lord, Lord and do not the things that I say?*" It's still a good question, isn't it?
