Announcements - March 13, 2011

Our LTC kids will be meeting this evening from 4:00 to 6:00 in preparation for the competition in April. The monthly elders, deacons, and mens **business meeting** will be held this evening at 5:00 in the basement. Next Sunday morning we will have a **special guest from India** who will share regarding the work you are presently supporting through the preaching school at Saraphath. He is a graduate of that school and is in the States for a period of time.

I sent a group e-mail to the church last week regarding the work of **Larry Conway in Kenya**. We have been supporting Larry and his family in that work for years. If you do not get the church e-mail I have posted a copy of Larry's letter on the bulletin board in the foyer.

We extend our sympathies to the family of Glen Williams who passed away last week. The funeral was held this last Friday. Tammy Brewer's sister, Jenifer Walker and her husband, are in Japan dealing with the recent disaster. They are uninjured but are having a difficult time getting home. Please keep them and so many others who have been effected by the earthquake and its results in your prayers. Also continue to remember those below on our prayer list in your prayers.

HIS CALLING

We all have a job, but do we have a calling? Your job pays your bills.....it takes care of your family responsibilities.....it provides a certain standard of living.....it even in some ways defines who you are to this world. But is your job just your job.....or might it be something more? Most folks think of a "*calling*" as coming from God. It's a clear sense of being commissioned by God for some worthy task. It's an awareness of God's right to define for us who we are and what we should be doing with our lives. It's a recognition of His presence and blessing in the things we do.

Your job is more than your job.....it is an integral part of your calling. "*And whatsoever ye do, do it heartily, as to the Lord, and not unto men.*" **Col. 3:23** I am convinced.....and I'm sure you are as well.....that God is calling us to make a difference in our worlds. This world needs to change, and God is *calling* us to change it. We work for more than a paycheck or a promotion. We work to make this world better. That doesn't begin with us going to some foreign field. It begins with our basic recognition of God in all aspects of our lives. Our work is inseparable from our spiritual lives. When our faith brings spiritual energy to our work, we have found something more than just a career.

Before my retirement I had a framed section of scripture in a prominent place in my office as a reminder. It contains Solomon's wisdom. "*There is nothing better for mortals than to eat and drink, and find enjoyment in their work. This, I saw, is a gift from God; for apart from Him who can eat or find enjoyment?*" **Ecc. 2:24-25** Are we ready to change the world? Let's just go out there by His grace and do it.
