Jerry Upton has begun his chemo treatments to address the return of cancer. He will be receiving treatment one day every other week for six months. Added testing will then be done to determine the effectiveness of the treatment. **Carson Swede**, granddaughter of Harold and June Lowe and daughter of Grant and Robyn Swede, is in Children's Hospital in Little Rock with what doctors believe may be tick fever. She is showing improvement. **Keith Ray**, Bonnie Ray's son, who was doing better after a long hospital stay due to cancer, has returned to the hospital in Thailand where emergency gall bladder surgery was done. **Bonnie** will be having cornea transplant surgery done sometime in August to correct vision problems she has. Please keep these in your prayers and remember the many who are found on our long term prayer list.

VBS - GET READY...IT'S COMING

The dates for our upcoming VBS are **July 8-11** following our usual four night format. We will begin on Sunday evening, July 8, from 6:00 p.m. to 7:30 p.m., and run through the following Wednesday evening. We will follow a 7:00 p.m. to 8:30 p.m. time frame for Monday through Wednesday. This years theme is "**SONRISE**" and we need your help to make it the success we all want it to be. ***Just how can I help?????*** **First**....by setting these dates on your calendar and planning to be present. We will have classes for toddlers through sixth grade. Our teens will be used to assist in the classes. We will also have an adult class each evening. We need the support of your presence and the presence of your children or grandchildren. Invite others. This is a great way to introduce others to this Church. **Second**....we need volunteers. We will be conducting five classes for kids as well as a craft center and a game center. We need at least one adult and one youth to help with each of these areas. We also need volunteers for the kitchen to handle the refreshments. There is a ***sign-up sheet on the table in the foyer.*** **Third**....We will need to borrow some items. A more complete list will come out later, but for now just know we need artificial Christmas trees. A forest is needed to carry out the theme. If you can loan one just put your name on the box so we can keep up with who the owner is. If it is small and not in a box just tie a tag to it with your name.

VBS is always a great time for both kids and adults. Plan your week around these four nights, and don't miss out on this opportunity.

FATHER'S DAY

Every year has one, doesn't it? There was a time when this day rolled around every 365 days. The last few years it seems more like every 30 days. I used to think that when a fella retired time would somehow slow down. I tend to think the reverse of that now. So.....Congratulations, Fathers! One day a year doesn't do justice to good fathers, and one day a year certainly isn't enough for making the effort to be one. It's not very often that you will find this Arkansas country boy agreeing 100% with President Obama, but I certainly do agree when he said, "*Any fool can have a child. That doesn't make you a father. It's the courage to raise a child that makes a man a father.*" In this present generation of "cut and run" fatherhood it's refreshing to know our President stands against it. The importance of Fatherhood isn't a political issue to play games with. It doesn't belong to Democrats, Republicans, or the Tea Party. It belongs to men who have enough courage to deny themselves for the sake of their children. I see a lot of really good fathers in this church. You understand how important your teaching and example are to your children. You feel the weight of the responsibility that no one else can shoulder for you, and you carry that weight with the joy of fatherhood in your heart. Bless you for your determination to "*be there for your kids.*" Paul instructed every father here, "*Father's don't exasperate your children by coming down hard on them. Take them by the hand and lead them in the way of the Master.*" **Ephesians 6:4**
