BRING A FRIEND DAY....Sunday, July 29, is our **next 5th Sunday** and provides a wonderful opportunity to bring friends or family to lunch here to help them get acquainted with us. The food will be excellent as usual, and we promise to help them feel very welcome.

*Jesus said, "Woman, believe me, the hour cometh when ye shall neither in this mountain, nor yet at Jerusalem worship the Father. Ye worship ye know not what. We know what we worship for salvation if of the Jews. But the hour cometh and now is, when the true worshippers shall worship the Father in spirit and in truth; for the Father seeketh such to worship Him." **John 4:21-23***

VBS - IT'S HISTORY

There simply are not words enough to express the appreciation of this church to those of you who worked so hard to make last week's VBS a great success. Only God is aware of the number of hours that were invested in the set decorations and getting the building ready for the influx of adults and kids. We had a total of 109 present last Sunday evening to kick off the four nights. Monday was only a slight fall down to 93. Each of our teacher's worked hard to bring a Biblical and interesting lesson to the students. Those of you who worked with the craft tables produced some "take home" products with the student's help that will bring back good memories to them on down the road. Those of you who saw to the set-up and serving of refreshments each evening made sure that adults and kids had a great time to simply relax for a little while and visit. This was a really long week for those of you (and that would be most) who had to rush home from work in time to be here to handle the responsibilities you volunteered for. As is the case in most small churches we continue to ask for and receive the help of the same basic group of folks from one year to the next. Thank you for the fact that though you grow weary in the work you do, you have not "*grown weary in well doing*" as the Scriptures admonish. And thank you to the "new faces" that stepped up to work in your first VBS here at Dayton. I hope the taste has left you thirsty for more.

There are names that I would like to list here, but will be content to let God take note of your contribution. The problem with listing names is losing someone by oversight that should be listed. So.....***thank you....thank you.*** We'll be back knocking on your door for help again next year. May God bless you....and this Church!!

Larry B

Due to our leaving town last Thursday, and the busy week of VBS there simply was not enough time to put proper thought into some of the spaces on the bulletin for this week. I printed the copies prior to leaving so some things that may have happened between that time and this morning did not make it in time to be included. Thank you for allowing us a few days away. We are at Mt. Nebo with Donna's extended family for a yearly reunion, and will be attending services down in that area. If you need to contact either of us our cell numbers are in your directory. We are absent from you in body only. Our hearts are always at Dayton.

Larry

God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed and though the mountains be carried into the midst of the sea; Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High. God is in the midst of her. She shall not be moved. God shall help her, and that right early.....Be still, and know that I am God. I will be exalted among the heathen. I will be exalted in the earth. The Lord of hosts is with us. The God Jacob is our refuge."

Psalm 46: 1-5..10-11
