SEEKING USHERS/MONITORS

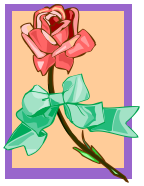

At our monthly business meeting last week one of the items brought up for discussion by our deacons was the possibility of adding an usher to our service schedule. We are calling them this for lack of a better term. We are living in a time where discussions must be held that would not have been considered not many years ago. The safety of those who regularly assemble here for worship has been discussed more than once at our meetings. Normally ushers consist of both husbands and wives, but due to the assignment we would prefer to put our men in this role. This person would basically be a monitor for the foyer and restroom area while the rest of us are in the worship assembly. We have folks who just drop in off the road from time-to-time. These are strangers to all of us here in the building, and are simply free to roam around if no one is out in the foyer to greet them. We have children who leave the assembly to use the restroom, and we want them to be able to do that in complete safety. We would like for this person to do the following:

- ◆ Simply sit in the foyer area during worship in order to monitor any comings or goings. The speakers in the foyer will be turned on so that the sermon and other activities in the auditorium can be heard. This person would receive communion there at the same time as everyone else.
- ◆ Greet any latecomers who are strangers that have come to worship, and help them locate the auditorium or rest rooms if needed.
- ◆ If any type of emergency exists this person would activate the system that will allow all of us in the auditorium to know so that appropriate instructions can be given from the pulpit.
- ◆ If someone has to leave the worship due to illness this person will be available to provide any assistance necessary.

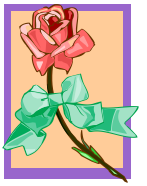

Those of our men who might feel comfortable helping with this may sign up on the sheet on the center table in the foyer. We will rotate this responsibility among those who sign up in the same way that we do in our weekly service schedule. Thanks for your consideration.

VALLEY VIEW LADIES DAY....has been set for Saturday, September 14, from 9:00 til 12:00. Registration begins at 8:00. Lunch will be provided. If you plan to attend please sign the sheet on the center table in the foyer so we can let them have a count as they plan the lunch. More information is on the bulletin board in they foyer. Thanks.
