Announcements - March 9, 2014

Bruce Flippo will be bringing our message this morning. **Dustin Dacus** will be preaching this evening.

Our **new teaching quarter** began last Sunday. Thanks to those of you who served last quarter. We also want to thank **Chris and Stephanie Young** who have been in charge of our Bible classes for the last few years. They are taking a well deserved break. **Dustin and Laura Dacus** and **Larry and Cindy Davis** will be overseeing this for us now. We appreciate their willingness to serve. Please work with them as they fill this demanding role.

Our monthly elders, deacons, and men's **business meeting** will be held next evening at 5:00 p.m. downstairs instead of this evening due to the funeral visitation this afternoon.

We will be providing lunch for the **Lions for Christ** this coming Thursday, March 13, at Ft. Smith. We will be providing pizza as usual. We need your help with cookies and soft drinks. Just leave them in the kitchen.

This month has five Sundays. We will be looking forward to our usual **5th Sunday lunch** and activities on Sunday, March 30.

As most of you know **Brice Parker** passed away last Friday morning at Sparks. Our sympathies are extended to Freda and the family. Visitation is set for this afternoon at 1:00 at McConnell Funeral Home in Greenwood. Services will be held tomorrow here at the Church at 1:00. We will be providing lunch for the family at 11:00 a.m. tomorrow. Burial will be immediately following the service here at Roselawn Cemetery in Ft. Smith. **Edwinna Conaway** experienced a light stroke last week. She has been placed on medication and will be seeing a neurologist in Dallas on Tuesday. There were no lasting physical effects. **Suzanne Dacus** will be meeting with doctors in Little Rock as a preliminary to additional eye surgery that she is needing. **Jane Robinson** was taken to the hospital last week for continued issues with bleeding. Out-patient surgery is scheduled for Tuesday. **John Ashley** continues to struggle with lung issues. Please keep these as well as all of those on our long term prayer list in your prayers.

CHURCH DIRECTORY UPDATES.....Seems like these have been a long time coming. I apologize. The directory has been updated with information regarding those who have been added since the last publication of the directory. Also a lot of contact information for many of us has changed since the last update so that information has changed as well. If you use the paper copy of the directory the updates are in packets on the center table in the foyer. Just pick up a packet (28 pages) and add the new sheets. If these are simply changes for pages already in your directory throw away the old page and insert the new and you should be current. For those of you who use the electronic version of the directory simply delete the old directory from your phone/computer or other device and download the 2014 version of the directory. The electronic version is in PDF format. The instructions for the download are as follows were not available at the time of the printing of this bulletin. Look on the center table in the foyer for a separate sheet regarding the download. If the instructions are not available this week they will be posted in next week's bulletin. We encourage you to keep your directory updated so you will have a current copy of contact information here within the church. Thank you.

Last Sunday was a difficult day for trying to be out. We cut our morning worship service short due to the weather and cancelled our evening service. If you were not able to be out last Sunday we encourage you to remember the importance of our work by adding last Sunday's contribution to your gift this morning. As always, thank you so much for your continued support.

We've suffered yet another loss in this church. Brice Parker will certainly be missed by all of us. His presence here in the assemblies were a steady encouragement to us the last twenty four years. Every Sunday and Wednesday he could be counted on to be in his spot next to Freda in the center section next to the aisle about halfway back. Funeral customs differ from culture to culture, from one area to the next, and seem to evolve over time. As long as humanity has been humanity we have been trying to figure out ways to help each other through such loss. Nothing we do can change the families' loss, but sometimes the loss is contained only to the living. When Christ enters the picture real hope enters as well. Hope not based on the strength of human will, but on the power of divine promise. *"Since the children are made of flesh and blood, it's logical that the Savior took on flesh and blood in order to rescue them by His death, taking it into Himself, He destroyed the Devil's hold on death and freed all who cower through life, scared to death of death....Then, when He came before God as high priest to get rid of the people's sins, He would have already experienced it all Himself....all the pain, all the testing....and would be able to help where help was needed."*
