*"You're blessed when you're at the end of your rope. With less of you there is more of God and His rule. You're blessed when you feel you've lost what is most dear to you. Only then can you be embraced by the One most dear to you. You're blessed when you're content with just who you are...no more no less. That's the moment you find yourselves proud owners of everything that cannot be bought."* **Matt. 5:3-5**

**ADDITIONAL LEADERSHIP**

The following men have been placed before this Church for your consideration to serve in places of leadership.

- ◆ **As Elder.....Tom Dacus**....Tom has been serving faithfully as a deacon in this Church for some time. He has shown both the initiative and desire to move into this leadership capacity. He and Suzanne are a tremendous blessing to the Church. We commend Tom to you for the service of Elder here at Dayton.
- ◆ **As Elder.....Bruce Flippo**...Bruce has the Biblical background and history of service that equip him to be of great service to us. Since his retirement, and with his assistance now in the pulpit, we are all coming to appreciate more the knowledge and faith that life experiences have bought to Bruce. Bruce and Bobbie are a great blessing to us here at Dayton. We commend Bruce to you for the service of Elder in this Church.
- ◆ **As Deacon...Dustin Dacus**...Dustin has shown a strong commitment to serve in any way that we might need him. His growth in the work of the pulpit has been obvious to all of us. His work with our youth and his leading in the various facets of worship are to be commended. Dustin and Laura are a blessing to all of us. We commend Dustin to you as a Deacon in this Church.

We appreciate the confidence you have shown in the selection of these men as you considered their qualifications in light of the Scripture. The response we have received from you has been entirely positive. ***These men will begin their service in this capacity today.*** Please congratulate them, and thank them for their willingness to serve....and continue to pray that all of us in this Church will do what we do to the *"glory of God."*

It happened again last week, didn't it? Another young man with a gun and a knife rampaging through the lives of people he blamed for all of his misery. Stories like this are getting so commonplace they are no longer shocking. Our response is always the same. Why...Who's to blame? How can we stop it? Should we put prayer back in schools? Should we fine parents who don't take their kids to Church? Do we make divorce a crime? Do we melt down all of the guns? Do we criminalize movies that show violence? Do we blame the police for not stopping it? Fingers get pointed in every direction. The truth is we will never stop it independent of accepting God's personal direction in our lives. We continue to reject His Word, and feel like we can straighten out the mess without His help. Violence has been in this world since Cain slew Abel. And it looks like it's going to be hanging around for a while yet. Who's to blame for the recent slaughter? How about the 22 year old who videoed his hatred of women and shared it with all the world? Who could have stopped it? He could have....but he didn't. Folks who share his anger at the world say, *"Well, at least he went out in a blaze of glory."* No....he went out in a final act of absolute selfishness in total disregard of everyone around him. God has given all of us choices in this life. We must all choose well. Yes, others do have influence over us....often great influence. But the decision ultimately is ours, and ours alone. How will we live our lives? To whom shall we listen? What will we choose? Eternity hangs in the balance of the decisions we make.....Larry B
