Announcements - June 29, 2014

This month has **five Sundays**. We will be sharing our **usual noon meal** following our worship this morning. After the meal we will assemble back in the auditorium for singing and a brief devotional by **Reid Carter**. A communion service will be held this evening for those who could not be present this morning. Our contribution today, as usual, will be going toward the early payment of our church loan. Plan to enjoy today's activities with us.

The **Valley View Church** is holding their **VBS** beginning this evening and continuing through Thursday evening. The times are from 6:00 to 8:00 p.m. All are invited.

Larry Bridges will be preaching next Sunday morning. **Bruce Flippo** will preach the second Sunday rather than the first since Larry & Donna will be away that weekend attending the annual family reunion of Donna's family.

Michael Sanders is continuing his treatment for leukemia under the care of Children's Hospital in Little Rock. **Betty Reynolds** and **Wanza Presson** have been having a more difficult time than usual. Please keep these and our other older members who are struggling with age related difficulties in your daily prayers as well as all who are on our long term prayer list.

FAMILY DAY VBS....Our VBS will take on a different look this year as we go to an all day family oriented VBS to be held on **Saturday, August 9**. We will have classes in the morning and afternoon for both children and adults with a break for lunch where we will be grilling hamburgers and hot dogs. A complete schedule for the day will be provided soon. We are departing from our normal VBS format to see if this arrangement will better suit our goal of participation, study, and fellowship.

So....What are you going to do about your life? I encountered that question from Dr. William Glasser while reviewing his book on *Reality Therapy* for a counseling class I was taking in the fall of 1968. His therapy was unusual for today. Rather than doing as modern therapists today that classify every problem as something that is "not our fault, but others" he kept asking this question over and over to his patients. He didn't delve into biological or social factors to explain the problems that come from bad behavior. He listened to the problems of his patients and always came back with the same question: "*What are **you** going to do about it?*" His out-of-step approach always placed the responsibility...and the opportunity...for a changed life on the everyday choices of the individual laying on his couch or sitting across from his desk. While utilizing medication for patients who truly were mentally ill, he refused to assign all human dysfunction to factors beyond our control. "*Sometimes we hurt because we do wrong things and need to turn from a selfish pattern of life.*" he said. Seems like I've heard that somewhere before, but where was it? Oh, yes. It was in my Bible and is in yours. The Bible just uses a different word, that's all. The Bible word is "*repentance.*" Jesus quite often in His ministry told stories about folks that had some serious problems. His solution to those problems was to challenge them to repentance. When people were demonstrating wrong-headed thinking about the calamities of life Jesus asked them, "*Do you think these folks were sinners worse than the rest?*" Then He dropped the bombshell on them as well as us. "*I tell you nay, but except you repent you shall all likewise perish.*" **Luke 13:5** Larry B.
