Announcements - July 6, 2014

The monthly elders, deacons, and men's **business meeting** will be held the third Sunday of this month rather than the second due to scheduling conflicts.

Larry Bridges will be doing the preaching this morning. **Bruce Flippo** will preach next Sunday rather than today since Larry & Donna will be away next weekend attending the annual family reunion of Donna's family.

Faye Upton has been working on a more extensive **church history**. A printed copy for your review is on the center table in the foyer. If there are additions, deletions, or revisions that need to be made please see Faye. We appreciate her work on this.

Hard copies of the church bulletin have been placed in binders and added to church library for those of you who might want to check on a past event or simply have access for historical purposes. Bulletins for the years 2010-2013 are available. As each year ends another binder will be added.

Michael Sanders is continuing his treatment for leukemia under the care of Children's Hospital in Little Rock. **Betty Reynolds, Wanza Presson** and **Jane Robinson** have been having a more difficult time than usual. Please keep these and our other older members who are struggling with age related difficulties in your daily prayers as well as all who are on our long term prayer list.

FOR OUR LONG TERM PRAYER LIST SEE THE SMALL TABLE IN THE FOYER (Updated May 18, 2014)

FAMILY DAY VBS....Our VBS will take on a different look this year as we go to an all day family oriented VBS to be held on **Saturday, August 9**. We will have classes in the morning and afternoon for both children and adults with a break for lunch where we will be grilling hamburgers and hot dogs. A complete schedule for the day will be provided soon. We are departing from our normal VBS format to see if this arrangement will better suit our goal of participation, study, and fellowship.

CHURCH LIBRARY... Christian Fiction books and dvd's by Janette Oke have been donated by Bonnie Ray and Karen Carter in the memory of **Montie Ray's birthday**. Check the Christian Fiction section of our library. A binder with a complete listing of all books by author as well as a complete listing by book title has also been placed on the table in the library. Be sure to check out this great resource.

It's hard to believe it's been a year. **Harrison Dacus** was born on July 4, and will be celebrating his **first birthday** this coming **Saturday, July 12**, here in the fellowship area downstairs....and you have been invited. The celebration is scheduled to begin at 1:00 p.m.

LABELING

Jesus had been teaching in Galilee, and boy, He was drawing the crowds. Lives were being changed. The blind saw...the deaf heard...the lame walked. His fame was rapidly spreading. Then....He came to Nazareth, and was surrounded by home-town folks. He made His way to the synagogue where the people marveled at His wisdom. Then, some nameless somebody said, "*Where did He get this wisdom? He's just the carpenter's son.*" **Matt. 13:55f** This single accuser seemingly stuck a label on Him that was quickly accepted by others, and which ultimately led them to try to throw Him off a cliff for "putting on airs." As Matthew records, they were "*deeply offended at Him.*" Labels can hurt. Some preachers would have simply given up. Jesus just took His preaching and healing elsewhere. Be careful of accepting the labels the world places on you or others. How many youngsters have been given the label of "*slow learner*" and never recovered from it. Thomas Edison, Albert Einstein, and even Gandhi were all given that same label, but think what this world would be like if they had accepted it. Do you have some things in your past that you regret? Legion are the number of folks who have been labeled "*trouble-maker, dropout, dumb, worthless, loser,*" and a host of other things. If we get enough people...or just a few of the right people...trying to stick a label on us the chances are pretty good they will succeed. We just accept the judgment and live it out as a self-fulfilling prophecy. One of the best things about being "*in Christ*" is that all labels are washed away when we put Him on. We are simply children of God. We truly are as the Scriptures remind us "*all one in Christ Jesus.*" Don't let others labeling efforts keep you from seeing the potential in others. And don't accept the labels that others may want to stick on you. Whether for better or worse we are all just people...fallible...imperfect...judgmental people. Let's live like people who understand that God loves us. Understanding that if others fail to see our value, God does not. Just imagine what the folks in Nazareth missed because they accepted the label someone else tried to put on Jesus. After all, He was "*just the carpenter's son.*" Yes, he was...and also just the "*Son of God.*"
